S | Develop your French speaking skills in an interactive and social environment.

Speak French confidently

Sheridan's French program will help you develop in-demand language skills in speaking, reading and writing French – with the greatest emphasis on oral communication. Learn how to communicate in simple day-to-day social situations, introduce yourself and others, ask and answer questions, and express your opinions effectively.

Relaxed environment

Our instructors set a relaxed environment for in-class learning, that will help you quickly develop your French speaking skills and build your self-confidence. You're encouraged to speak French with your fellow students and continue to accomplish the French program levels together.

Beginner to advanced

Whether you're new to the French language or already have some knowledge, our wide range of courses can help you improve your skills in speaking French. As a beginner, you'll learn French language fundamentals and reinforce your comprehension through oral and written exercises. As your verbal skills improve, you'll explore nuances and participate in social activities and realistic conversations.

Career Opportunities

Learning French can improve your career opportunities. Being bilingual in French is highly valued by employers and considered a competitive edge in Canada's job market. Learning a second language can also be your gateway to learning other languages.

Did you know?

If you have knowledge of the French language, you may be able to start at a higher level by simply taking an Oral Challenge Test over the phone. For more information call 905-845-9430, x8042.
