### Application Process:

- Complete our [online form](https://mechatronics.sheridancollege.ca) and upload your resume at: <https://mechatronics.sheridancollege.ca>
- The Program Coordinator will contact you to advise of your status of acceptance  
*Completed applications will be reviewed and scored by faculty; and up to the top 20 scores will be offered a seat*
- All applicants will be notified of their application result via email by November 15<sup>th</sup>, 2019. While the seats are filled, no more application will be accepted
- Successful applicants will be emailed to visit Continuing and Professional Studies (CAPS) at <https://caps.sheridancollege.ca> to register online by January 2, 2020; payment must be made by credit card
- Students will receive instructions on how to register once they have been accepted into the program
- Classes begin January 6<sup>th</sup>, 2020

### Deadline:

- All open registrations **must** be received by November 11<sup>th</sup>, 2020 for the Winter 2020 session
- The withdrawal deadline is 3 weeks after the start of classes in order to receive a full refund of the tuition fees
- Fees include a \$50 materials fee
- Course materials must be returned to the College if students withdraw from the program

**Program Delivery:**

- Curriculum is defined by Siemens Germany
- FESTO Modular Production System training modules are used in the labs, among other equipment.
- Courses are delivered or supervised by Siemens certified professors
